

## 10 Reasons Why You Should Choose Achiever For Your Lab and Biobank - From The People Who Use It Every Day

*"Achiever Medical is the 'Gold standard for tissue banking' and it was more a question of, 'why would you choose not to use it?' than, 'why you should?!'"*

*"Achiever Medical makes it easier for us to operate our Biobank and the system continues to grow with us."*

**CUSTOMISABLE**

*"Achiever fosters good research practice and good protocols."*

**PROCESS-DRIVEN**

*"Achiever makes everything easier, saves us time and makes us more productive."*

**STREAMLINED**

*"The dashboards are so simple and quick to set up enabling us to provide analysis at all levels."*

**ANALYTICAL**

*"Seeing and implementing Achiever has led to more things than we ever imagined."*

**INSIGHTFUL**

**QUALITY CONTROLLED**

*"We are more compliant with different legislation and our quality control has improved significantly."*

**COMPLIANT**

*"We passed our HTA in 2013 and 2017. With Achiever taking care of this, we've more time for research."*

**FUTURE-PROOF**

*"You see what Achiever can do and you're already 2 steps ahead of where you wanted to be."*

**SECURE**

*"Achiever has robust auditing and encryption tools to protect and manage our donor identifiable data."*

**EXPERIENCED**

*"Engagement has been fantastic. They really understand our operational and strategic goals."*
